

Argusville Tax Equalization Meeting

April 6, 2020

Mayor Darren Wetzel called the meeting to order via Zoom at 6:00 PM with the following in attendance: Dave Becker, Jenna Saewert, Paul Fracassi, Nolan Meidinger, Jaret Thompson, Tim Keckler, and Mary Howatt. Absent: Rod Clouse and Wayne Hagemeister.

Fracassi provided assessment report, noting the market is flat and no changes expected across the board following the city wide re-appraisal in 2019. The taxable valuation outside the TIF is \$661,660; inside the TIF it is \$1,325,498. If the city budgets the same mill numbers, it could expect to collect \$33,407 in taxes.

One property owner, Craig Ventzke, submitted a written inquiry prior to the meeting. No residents were present at the meeting to raise concerns.

M Becker-Saewert to accept the valuations as presented minus Ventzke who will be under review. Aye: Becker, Saewert. Absent: Clouse, Hagemeister. Carried.

Meeting adjourned 6:30 PM.
